

Fermentas hits the mark with their latest innovations!

You Are Invited!

AXON SCIENTIFIC
invites you to our

PRODUCT SEMINAR 2009!

**Wednesday 28th October 2009, 2pm @
UPM, Institute of Bioscience,
Auditorium (Level 2)**

Topic:
Innovations for Life Sciences (Development of Reverse Transcriptase Enzymes)

Speaker: Dr. Dangira Siksniene, Customer Services Manager, Fermentas
Address: Institut Biosains, Universiti Putra Malaysia, 43400 UPM Serdang, Selangor, Malaysia.

Booth: 11am - 4pm (Seminar at 2pm), refreshments will be provided.

Please RSVP and email info@axonscientific.com to register for the seminar
(Kindly include your name, designation, department/ organisation, and contact number).

Look out for Exclusive Product Launches and Spotlights, a Game and Prizes as well as Goody Bag Redemption!
Don't miss these special treats from us. See you there!

*To redeem your goody bag, simply fill up our feedback form on the back and present your invitation card on that day.

Customer Research Interest Form

Help us understand your research requirements to serve you better!

Research Interest and Profile

- | | |
|--|--|
| <input type="checkbox"/> Blotting | <input type="checkbox"/> Labeling |
| <input type="checkbox"/> Southern | <input type="checkbox"/> Radioactive |
| <input type="checkbox"/> Western | <input type="checkbox"/> Non-radioactive |
| <input type="checkbox"/> Northern | |
| <input type="checkbox"/> Cloning | <input type="checkbox"/> PCR |
| <input type="checkbox"/> DNA Sequencing | <input type="checkbox"/> Routine/Standard PCR(3.5kb or less) |
| <input type="checkbox"/> DNA Purification | <input type="checkbox"/> Hotstart |
| <input type="checkbox"/> Genomic | <input type="checkbox"/> Hi-Fidelity |
| <input type="checkbox"/> Plasmid | <input type="checkbox"/> Long PCR (>3.5kb) |
| <input type="checkbox"/> DNA Fragments | <input type="checkbox"/> T/A Cloning |
| | <input type="checkbox"/> Blunt Cloning |
| <input type="checkbox"/> RNA Purification | <input type="checkbox"/> RT-PCR |
| <input type="checkbox"/> Protein Purification | <input type="checkbox"/> qPCR (SYBR or Probe-based) |
