Minipreps – Best Performance with Best Price

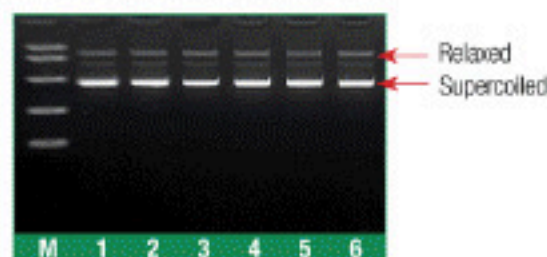

Product	Catalog	Application
GeneJET™ Plasmid Miniprep Kit	#K0502	for 50 preps
	#K0503	for 250 preps

Features

- High yield up to 20µg of high quality plasmid DNA
- Fast – purification in less than 14 minutes
- Convenient – no phenol/chloroform extraction or alcohol precipitation
- Optimal for fast clone analysis in 30 minutes with FastDigest™ Restriction enzymes and GeneRuler™ Express DNA Ladders

GeneJET™ Plasmid Miniprep Kit, #K0502

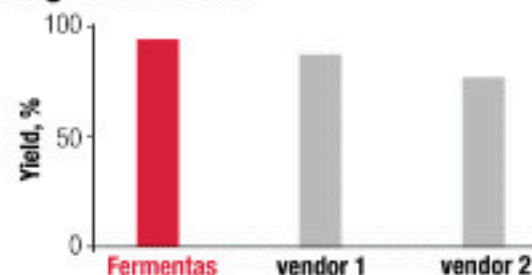

Consistency of DNA Quality

A pBluescript-based high copy number plasmid was purified from *E.coli* culture with 6 different GeneJET™ Spin Columns.

M – FastRuler™ DNA Ladder, High Range, ready-to-use (#SM1123)
1-6 – plasmid DNA isolated with 6 different GeneJET™ Spin Columns

Higher DNA Yield

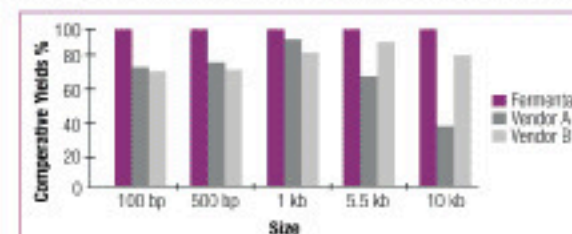

A pBluescript-based high copy number plasmid was purified from 1.5 ml of recombinant *E.coli* culture using the GeneJET™ Plasmid Miniprep Kit and miniprep purification kits from other vendors. The total recovered plasmid DNA yields were compared.

For more information see www.fermentas.com

Highly Efficient Extraction of DNA from Agarose Gels

Superior extraction of large and small DNA fragments from agarose gel

Features

- **High efficiency:** Up to 95% recoveries in the range of 100bp - 10kb
- **Fast** – procedure only take 15 minutes
- **Convenient** – spin column are capped and assembled with collection tube

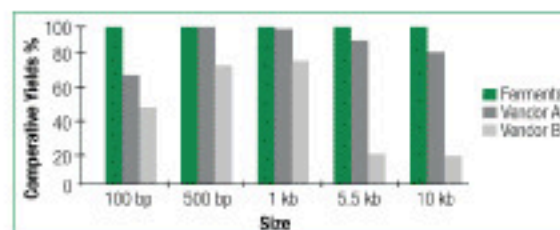

Product	Catalog	Application
GeneJET™ Gel Extraction Kit	#K0691	for 50 preps
	#K0692	for 250 preps

GeneJET™ Gel Extraction Kit, #K0691

Fast and Efficient Purification of DNA from PCR Mixes

Superior purification of large and small DNA fragments from PCR reaction mixture

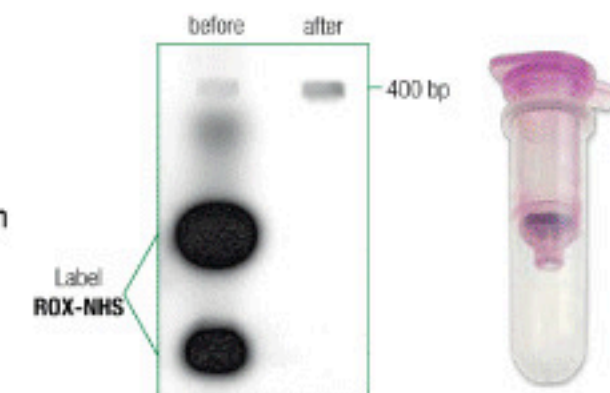

Features

- **High efficiency:** 90-100% recoveries in the range of 100bp - 10kb
- **Fast** – procedure only take 5 minutes
- **Convenient** – spin column are capped and assembled with collection

Product	Catalog	Application
GeneJET™ PCR Purification Kit	#K0701	for 50 preps
	#K0702	for 250 preps

GeneJET™ PCR Purification Kit, #K0701

Effective removal of unincorporated label

Contact our sales representative to request GeneJET™ kits sample!

Fermentas Mug* is now giving for every kit purchase!

* Valid until stock last
